mosquito-borne illness that has spread alarmingly in Latin America and the Caribbean. The Olympic committee is planning an announcement Thursday about its plans for the Rio de Janeiro Games, and whether to move it from this summer to the 2017 summer in South Africa. The health concerns for the Rio Games are rooted in the potential for the tropical disease to evolve into something more severe. Aedes aegypti mosquitoes carry the virus, which the World Health Organization on Tuesday deemed a “global health emergency,” and scientists say it is, too. President Obama has already vowed that the U.S. “will not be deterred from doing what’s necessary to protect the American people.” But Olympic officials said on Wednesday that it is too early to discuss such things.
